Navitas Semiconductor Announces Redemption of All Outstanding Warrants

El Segundo, CA, February 4, 2022 – Navitas Semiconductor Corporation (Nasdaq: NVTX, NVTXW) today announced that it will redeem all of its publicly traded and privately held warrants to purchase shares of Navitas' Class A common stock that remain outstanding at 5:00 p.m. New York City time on March 7, 2022 (the "Redemption Date"), for a redemption price of \$0.10 per warrant (the "Redemption Price").

Navitas has directed its warrant agent, Continental Stock Transfer & Trust Company (the "Warrant Agent"), to deliver a Notice of Redemption to the registered holders of outstanding warrants pursuant to the Warrant Agreement, dated as of December 2, 2020 (the "Warrant Agreement"), by and between Navitas (f/k/a Live Oak Acquisition Corp. II) and the Warrant Agent. Under the Warrant Agreement, Navitas is entitled to redeem its public warrants at a redemption price of \$0.10 per warrant if the closing price of its common stock has been at least \$10.00 per share on any 20 trading days within the 30-trading-day period ending three business days before notice of the redemption is given, among other conditions. If Navitas elects to exercise that right, the warrant terms require the company to concurrently redeem the privately held warrants if the closing price of its common stock on any 20 trading days within the same 30-trading-day period is less than \$18.00 per share. Both stock price conditions were satisfied as of February 1, 2022, the third business day before the Notice of Redemption is being sent to warrant holders.

Exercise Procedures and Deadline for Warrant Exercise

Warrant holders may continue to exercise their warrants to purchase shares of Navitas common stock until immediately before 5:00 p.m. New York City time on the Redemption Date. Payment upon exercise of the warrants may be made either (i) in cash, at an exercise price of \$11.50 per share of common stock or (ii) on a "cashless" basis in which the exercising holder will receive a number of shares of common stock determined under the Warrant Agreement and based on the Redemption Date and the Redemption Fair Market Value. The "Redemption Fair Market Value" is based on the volume weighted average price per share of Navitas common stock for the 10 trading days immediately following the date on which notice of redemption is sent. In accordance with the Warrant Agreement, Navitas will provide warrant holders with the Redemption Fair Market Value no later than one business day after the 10-trading-day period ends. Warrants may be exercised on a "cashless" basis regardless of the market value of the common stock and even if such value is less than the warrant exercise price of \$11.50 per share. In no event will the number of shares of common stock issued in a cashless exercise exceed 0.361 shares per warrant exercised. If a holder of warrants would be entitled to receive a fractional share of stock as a result of warrants exercised at one time, the number of shares the holder will be entitled to receive will be rounded down to the nearest whole number of shares.

Holders wishing to exercise their warrants should follow the procedures described in the Notice of Redemption and the Election to Exercise form included with the notice. Holders of warrants held in "street name" should immediately contact their brokers to determine exercise procedures. Since the act of exercising is voluntary, holders must instruct their brokers to submit the warrants for exercise.

Termination of Warrant Rights

Any outstanding Navitas warrants that remain unexercised at 5:00 p.m. New York City time on the Redemption Date will be void and no longer exercisable, and the holders of those warrants will be entitled to receive only the Redemption Price of \$0.10 per warrant.

Prospectus

A prospectus covering the shares of common stock issuable upon the exercise of the warrants is included in a registration statement on Form S-1 (Registration No. 333-261323) filed by Navitas with, and declared effective by, the Securities and Exchange Commission.

Additional Information and Answers to Questions

For additional information, including information on how holders may exercise their warrants, answers to frequently asked questions and copies of the Notice of Redemption (including Election to Exercise form), please visit Navitas' investor relations website at <https://ir.navitassemi.com>.

Questions concerning redemption or exercise of the warrants may be directed to the Warrant Agent, Continental Stock Transfer & Trust Company, at 1 State Street, 30th Floor, New York, NY 10004, Attention: Compliance Department, or by calling (212) 509-4000.

No Offer or Solicitation

This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any offer, solicitation or sale of any Navitas securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

**NOTICE OF REDEMPTION
TO THE HOLDERS OF

PUBLIC WARRANTS (CUSIP No. 63942X114*)
AND
PRIVATE PLACEMENT WARRANTS**

Navitas Semiconductor Corporation (f/k/a Live Oak Acquisition Corp. II), a Delaware corporation (the “*Company*”), hereby gives notice that it is redeeming (the “*Redemption*”), at 5:00 p.m. New York City time on March 7, 2022 (the “*Redemption Date*”), (i) all of the Company’s outstanding warrants (the “*Public Warrants*”) to purchase shares of the Company’s Class A Common Stock, par value \$0.0001 per share (the “*Common Stock*”), that are governed by the Warrant Agreement, dated as of December 2, 2020 (the “*Warrant Agreement*”), by and between the Company and Continental Stock Transfer & Trust Company, as warrant agent (the “*Warrant Agent*”); and (ii) all of the Company’s outstanding warrants (the “*Private Warrants*” and, together with the Public Warrants, the “*Warrants*”) to purchase Common Stock previously issued pursuant to the Private Placement Warrants Purchase Agreement, dated as of December 2, 2020, and also governed by the Warrant Agreement, in each case for a redemption price of \$0.10 per Warrant (the “*Redemption Price*”).

Under the Warrant Agreement, the Company is entitled to redeem the Public Warrants at a redemption price of \$0.10 per Warrant if the reported closing price of the Common Stock has been at least \$10.00 per share on any 20 trading days within the 30-trading-day period ending three business days before notice of the redemption is given, among other conditions. If the Company elects to exercise that right, the Warrant Agreement requires the Company to concurrently call the Private Warrants for redemption on the same terms as the outstanding Public Warrants if the reported closing price of the Common Stock on any 20 trading days within the same 30-trading-day period is less than \$18.00 per share. Both stock price conditions were satisfied as of February 1, 2022, the third business day before the date this Notice of Redemption is being sent. At the direction of the Company, the Warrant Agent is delivering this Notice of Redemption to registered holders of outstanding Warrants.

Warrant holders have until immediately before 5:00 p.m. New York City time on the Redemption Date to exercise their Warrants to purchase Common Stock. If you hold Warrants in “street name” you should immediately contact your broker to determine your broker’s procedure for exercising your Warrants. The act of exercising is VOLUNTARY, meaning holders must instruct their brokers to submit their Warrants for exercise.

The Warrants may be exercised by the holders thereof until immediately before 5:00 p.m. New York City time on the Redemption Date to purchase fully paid and non-assessable shares of Common Stock underlying such Warrants. Payment upon exercise of the Warrants may be made either (i) in cash, at an exercise price of \$11.50 per share of Common Stock or (ii) on a “cashless” basis in which the exercising holder will receive a number of shares of Common Stock determined in accordance with the Warrant Agreement and based on the Redemption Date and the Redemption Fair Market Value. The “*Redemption Fair Market Value*” is determined in accordance with Section 6.2 of the Warrant Agreement based on the volume weighted average price of the Common Stock for the 10 trading days immediately following the date on which notice of redemption is sent to registered holders of the Warrants. The Company will provide Warrant holders with the Redemption Fair Market Value no later than one business day after such 10-trading-day period

* The CUSIP number appearing herein has been included solely for the convenience of the holders of the Public Warrants. Neither the Company nor the Warrant Agent shall be responsible for the selection or use of any such CUSIP number, nor is any representation made as to its correctness on the Public Warrants or as indicated herein.

ends. Warrants may be exercised on a “cashless” basis regardless of the market value of the Common Stock and even if such value is less than the Warrant exercise price of \$11.50 per share. In no event will the number of shares of Common Stock issued in connection with an exercise on a “cashless” basis exceed 0.361 shares of Common Stock per Warrant. If any holder of Warrants would, after taking into account all of such holder’s Warrants exercised at one time, be entitled to receive a fractional interest in a share of Common Stock, the number of shares the holder will be entitled to receive will be rounded down to the nearest whole number of shares.

The Public Warrants and the Common Stock are listed on the Nasdaq Stock Market (“*Nasdaq*”) under the symbols NVTSW and NVTS, respectively. On February 3, 2022, the last reported sale price of the Public Warrants was \$2.33 per warrant and the last reported sale price of the Common Stock was \$8.96 per share.

TERMS OF REDEMPTION; CESSATION OF RIGHTS

The rights of Warrant holders to exercise their Warrants will terminate at 5:00 p.m. New York City time on the Redemption Date. At 5:00 p.m. New York City time on the Redemption Date and thereafter, holders of unexercised Warrants will have no rights with respect to those Warrants, except to receive the Redemption Price or as otherwise described in this notice for those holding Warrants in “street name”. We encourage you to consult with your broker, financial advisor and/or tax advisor to consider whether or not to exercise your Warrants.

The Company is exercising its right to redeem the Warrants under Section 6.2 of the Warrant Agreement, pursuant to which the Company has the right to redeem all of the outstanding Public Warrants at a redemption price of \$0.10 per Warrant if the reported closing price of the Common Stock has been at least \$10.00 per share for any 20 trading days within the 30-trading-day period ending three business days prior to the date on which notice of the redemption is given, *provided* there is an effective registration statement under the Securities Act of 1933 covering the shares of Common Stock issuable upon exercise of the Warrants, and a current prospectus relating thereto is available throughout the period from the date of the Notice of Redemption to the Redemption Date. The reported closing price of the Common Stock was at least \$10.00 per share on each of 20 trading days within the 30-trading-day period that ended on and included February 1, 2022 (the third business day before the date this Notice of Redemption is being sent). In addition, under Section 6.2 of the Warrant Agreement, if the Company elects to exercise its right to redeem the Public Warrants and the reported closing price of the Common Stock for any 20 trading days within the same 30-trading-day period is less than \$18.00 per share, the Private Warrants must also concurrently be called for redemption on the same terms as the outstanding Public Warrants. The reported closing price of the Common Stock was less than \$18.00 per share on each of 20 trading days within the 30-trading-day period that ended on and included February 1, 2022. The share price conditions described above are subject to adjustment pursuant to the Warrant Agreement in certain events that are not applicable to the Redemption.

WARRANT EXERCISE PROCEDURES

Warrant holders have until immediately before 5:00 p.m. New York City time on the Redemption Date to exercise their Warrants for Common Stock on a cash or “cashless” basis, as follows:

- **Cash Exercise:** Each Warrant entitles the holder thereof to purchase one share of Common Stock at a cash price of \$11.50 per Warrant exercised (the “*Cash Exercise Price*”). Payment of the Cash Exercise Price must be made by wire transfer of immediately available funds. Wire instructions will be provided to The Depository Trust Company (DTC) and will otherwise be provided upon request.
- **Cashless Exercise:** If exercising on a cashless basis, a holder exercising a Warrant will receive a certain number of shares of Common Stock determined in accordance with the table in Section 6.2 and otherwise

on the terms of the Warrant Agreement based on the Redemption Date and the Redemption Fair Market Value (the volume weighted average price of the Common Stock for the 10 trading days immediately following the date on which notice of redemption is sent to registered holders of the Warrants). The Company will provide Warrant holders with the Redemption Fair Market Value no later than one business day after such 10-trading-day period ends. In no event will the number of shares of Common Stock issued in connection with an exercise on a cashless basis exceed 0.361 shares of Common Stock per Warrant. If any holder of Warrants would, after taking into account all of such holder's Warrants exercised at one time, be entitled to receive a fractional interest in a share of Common Stock, the number of shares the holder will be entitled to receive will be rounded down to the nearest whole number of shares.

If you hold Warrants in "street name" you should immediately contact your broker to determine your broker's procedure for exercising your Warrants. The act of exercising is VOLUNTARY, meaning holders must instruct their brokers to submit the Warrants for exercise.

Persons who are holders of record of Warrants may exercise their Warrants by sending a fully and properly completed Election to Exercise (a form of which is attached hereto as **Annex A**), duly executed with signature guaranteed by an eligible guarantor institution with membership in an approved signature guarantee medallion program pursuant to Rule 17Ad-15 under the Securities Exchange Act of 1934, and indicating, among other things, the number of Warrants being exercised and whether such Warrants are being exercised on a cash or cashless basis, to the Warrant Agent at the following address:

Continental Stock Transfer & Trust Company
1 State Street, 30th Floor
New York, NY 10004
Attention: Compliance Department
Telephone: (212) 509-4000

The method of delivery of the Warrants is at the option and risk of the holder, but if mail is used, registered mail properly insured is suggested.

The fully and properly completed and duly executed Election to Exercise and, if the Warrants are exercised for cash, payment in full of the Cash Exercise Price, must be received by Continental Stock Transfer & Trust Company prior to 5:00 p.m. New York City time, on the Redemption Date. Subject to the following paragraph, any failure to deliver the Warrant Certificate, a fully and properly completed Election to Exercise and, in the case of a cash exercise, the payment in full of the Cash Exercise Price before such time will result in such holder's Warrants being redeemed (for \$0.10 per Warrant) and not exercised.

WARRANTS HELD IN STREET NAME

For those who hold their Warrants in "street name", broker-dealers will have two trading days after the Redemption Date, or until 5:00 p.m. New York City time on March 9, 2022, to deliver the Warrants to the Warrant Agent, *provided that* a fully and properly completed and duly executed Notice of Guaranteed Delivery (a form of which is attached hereto as **Annex B**) together with the fully and properly completed and duly executed Election to Exercise and, in the case of a cash exercise, payment in full of the Cash Exercise Price, is received by the Warrant Agent prior to 5:00 p.m. New York City time on the Redemption Date. Any such Warrant received without the Notice of Guaranteed Delivery or the Election to Exercise having been fully and properly completed and duly executed or, in the case of a cash exercise, without the payment in full of the Cash Exercise Price, will be deemed to have been delivered for redemption (at \$0.10 per Warrant), and not for exercise.

PROSPECTUS

A prospectus covering the Common Stock issuable upon the exercise of the Warrants is included in a registration statement on Form S-1 (Registration No. 333-261323) initially filed by the Company with the Securities and Exchange Commission (the “SEC”) on November 24, 2021 and declared effective by the SEC on December 6, 2021.
